Nothing beats the color changing leaves and crisp cold air as the seasons change. Fall is officially here, and I bet you're already planning your cozy autumn outfits. Most people can say fall fashion is the best fashion, and there's no denying that. Who could hate over sized sweaters, baggy jeans, chunky boots, and neutral tones? (Only crazy people!) But there's one fall staple that never fails to elevate your look: a leather jacket.

Leather jackets are timeless and have been around for about a century. Since the 1950's, it has been an essential in closets as time goes on and trends come and go. They are the perfect day to night piece to spice up your outfits to get an edgier feel.

Here are our top 5 must have leather jackets you should buy this fall season.
